FOR PIANISTS

- Play the root and the 7th on your left hand.
- Play the 3rd + other tensions on the right hand.
- Feel free to double any notes your would like.
- The 5th is the least important note, so it's often ignored.
- Left hand can also play root, 3rd, and 7th

FOR GUITARISTS

- Play the root on one of your two lowest strings.
- Play the 3rd + 7th on the strings 3 and 4 (middle strings).
- Choose 1 or 2 tensions and add on top using your two highest strings.
